

INTRODUCTION

The Carden Conejo Parents' Association is teaming with local businesses to create an improved and safer place for the children of Carden Conejo School to learn, grow and develop a positive sense of self. It has been over 20 years since our playgrounds have had any improvement. Some equipment has been removed for safety while others are in need of immediate replacement. With the help of corporate donations, fundraising and grants, the Carden Conejo Parents' Association is working to provide the children new experiences on a safe and upgraded playground.

PARTNERSHIP WITH YOU

You can help! Never before has the Carden Conejo Parents' Association taken on such a large task. Our community has the rare opportunity to join together and make a positive difference in the lives of children. We are looking for local businesses to make a tax-deductible donation to help underwrite the costs of the playground. In exchange, your business will be represented alongside our other sponsors on giveaway items, banners, our website and more.

We are happy to meet with you at your earliest convenience to discuss the project and the possibility of sponsorship. We know that the playground will be a safe space for children to learn grow and play! We hope you will consider sponsoring our efforts.
