June 2010

"Generosity is pure of heart."

### THANK YOU

Just a note to thank you  
and a line to tell you,  
too,  
nothing was more  
welcomed  
than the children's gifts from you.

Our Carden Parents certainly know how to entice the teachers back next year with another spectacular Teacher Appreciation Luncheon. Their generosity, delectable food, and outstanding entertainment made our day and filled our hearts with gratitude.

Highlights from September thru June have been wonderful and memorable. The children have been enjoying the new grass as they tumble and roll on it. Our whole new fun area is so inviting to sit, and view the flowers in their beautiful pots. You will hear lots of laughter as the children enjoy the new play house, tree house, and climbing wall.

Discovery Day with the real Mad Scientist was the highlight of our science events.

Another fun event was Captain Carl and his under-the-sea animals. The children enjoyed touching, smelling, and learning all about these creatures. Mrs. Ellrott's friend Stacy from Animal Tracks shared her dog and many exotic animals. The children enjoyed seeing, and learning about many different animals from a trained dog who can count to a porcupine.

Mrs. Kiser explained Cinco De Mayo with a video, beautiful dresses, and yummy foods from the Pre-K and Jr.-K children.

All the children and staff thank the parents for all the wonderful times we have had this year. Because of your dedication to your child's school, we have had a terrific year of fun, new toys, and new experiences.

We appreciate each family for their support, generosity and wonderful children. We have the best school! Thank You!

We are so grateful to Mrs. Berlinger for her dedication and leadership skills this year. We cannot thank her enough for donating all of her valuable time and hard work to make our school year so successful.
