

Reading Counts - Student Login

Good Morning Parents of K-5th Students,

I hope our families are all staying safe and healthy.

I also hope everyone is staying engaged with their teachers while we continue down the path of distance learning.

Here is the link to use the **Reading Counts** program and to take tests on books the students have read.

All students received their usernames and passwords with their work packets last Monday. The username is the first letter of the student's first name followed by the first 3 letters of the last name. The password is the same as used for the student's Gmail account.

The other important link is below.

Please let me know if you have any questions.

Thank you,
Bob Fleming
